

6472 SERIES

KIDNEY SHAPE SHELF

LAZY SUSANS

Rev-A-Shelf presents the most complete line of kidney shape polymer shelves in the industry with 18", 24", 28", and 32" diameters. The 6472 Series is a two shelf set with 1" diameter chrome plated steel tubing, chrome hub, telescoping upper shaft, and zinc die cast hardware components for superior independent rotation. Both the single and two shelf sets are made of double wall polymer and sturdy rib construction for maximum strength. Shelves are available in white or almond.
