Harmony™ Keyboard Support

6531D

Keyboard tray with sliding/forward indexing mouse tray

Features & Benefits

- Ergonomically shaped
- Stable, low profile design
- Anti-skid pads prevent keyboard slippage
- Mousing surface smoothly and easily adjusts from side to side for left or right-hand use which is great for multiple users and repetitive strain sufferers
- Mousing surface has three forward index positions which adjusts mousing within neutral reach zone for better ergonomic posture
- Mousing surface has built-in cable manager and fence to prevent mouse from slipping off tray
- Removable, snap-in 19" gel-like foam wrist rest offers gentle support, made of an easy to clean wrinkle finish and wear resistant material
- Fits most wave style keyboards
- Universal mounting pattern attaches to all CompX Keyboard Arms
