

Rev-A-Shelf has ironed out the inconvenience of storing and setting up that bulky ironing board with the introduction of its CIB/VIB Series. The uniquely designed expandable frames mount easily in a closet between panels or in a vanity drawer between cabinet sides from 14¼" to 21" wide and the fixed brackets allow for easy mounting of all standard drawer fronts. They feature chrome finishes and unique ball-bearing slide systems that provide sufficient over travel for maximum utilization. Simply open until the gravity lock engages, unfold board and you are ready to iron!

CIB-16CR

CIB-16CR

Perfect application to do quick touch-up ironing before work or a night on the town.
