

Angle restriction clip for the CLIP top 107° hinge

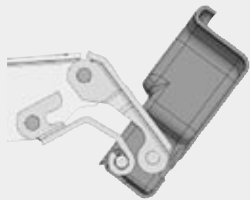

Features

- Restricts the opening angle of the CLIP top 107° hinge to 86°
- Installs quickly and easily without tools
- Non-removable

74.1103

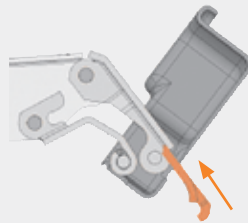

Installation

Step 1

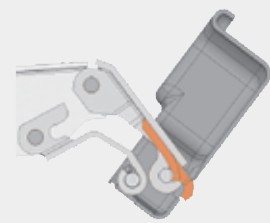

Partially close hinge cup. This provides optimal position for restriction clip insertion.

Step 2

Fully insert restriction clip into opening until it "clicks" into place.

Step 3

When installed, the restriction clip is completely hidden.

Opening angle
